PROFESSIONAL OVERVIEW

Motivated Web Design & Development student with strong skills in HTML and CSS and growing experience with JavaScript. Passionate about creating user-friendly, visually appealing websites. Eager to continue building real-world skills and contribute to a collaborative development team.

EMPLOYMENT EXPERIENCE

Vitality Massage Studio — Owner, Web Designer & Customer Relations

Fargo, ND | 2020-2024

- Designed and maintained the business website, migrating from Wix to a custom-coded site to improve functionality and branding.
- Created digital marketing materials and managed social media platforms to grow client engagement.
- Handled customer service operations, including scheduling, client communication, and inquiry management.
- Developed efficient scheduling and organizational systems to manage client appointments and business operations.
- Demonstrated strong time management by balancing client services, marketing, and web design responsibilities.

Massage Envy — Lead Massage Therapist

Fargo, ND | 2015-2020

- Led a team of massage therapists, providing guidance, support, and feedback to improve performance and service delivery.
- Assisted management in locating and recruiting new therapists to meet business needs.
- Demonstrated excellent time management skills, balancing client care with leadership responsibilities in a busy environment.
- Coordinated and organized schedules to ensure maximum efficiency in client service delivery.
